**Information and Limitations**  
 This is the SILoToSOIL Mapping which is to be used alongside the SILoToSOIL Database, which combined are the SILoToSOIL Tool. This Mapping provides direct links to organisations involved in the soil discussion. The Mapping is not an exhaustive list and is compiled from available sources. A full list of limitations and definitions are provided within the SILoToSOIL Database and apply in their entirety to the SILoToSOIL Tool.  
 Version 1.0 28/03/2025. Uncontrolled when downloaded.
